Please use and maintain all sensitive, privileged or restricted information in a strictly confidential manner. Confidential/privileged information includes, but is not limited to, sensitive and/or proprietary information concerning office business of Administration, patient medical information and protected health information, employee information or any other restricted information, data or material in any form.

If you are neither the intended recipient nor the employee/agent responsible for delivery to the intended recipient, you are hereby notified that disclosure of contents in any manner is strictly prohibited. Please notify the above sender if you received this information in error.

When the information associated with this fax cover sheet contains information related to Substance Use Disorder (SUD) it is protected under 42 CFR Part 2 which prohibits you from making any further disclosure of the Part 2 information without express written authorization of the patient to whom it pertains or as otherwise permitted by 42 CFR Part 2 regulation. A general authorization for the release of medical information is not sufficient for this purpose. A federal rule restricts any use of the information to criminally investigate or prosecute a SUD patient.
